

How can we help?

Personal and Work Problems

- Relationship issues
- Family concerns
- Emotional well-being
- Physical health concerns
- Stress
- Chemical dependency
- Other addictions
- Financial difficulties
- Legal matters

Professional Standards

- Defusing the situation
- Thinking through conflict
- Identifying the best approach to the issue
- Addressing problems through other work groups' Professional Standards committees

Critical Incidents

- Understanding the impact of a traumatic event
- Recognizing signs of post-incident stress
- Accessing professional resources when needed
