Dear Mr. Griffin:

Doug Steenland has referred your letter of February 22, 2008 to me for response. Please be assured that, as always, Northwest is well aware of its obligations under its collective bargaining agreement with AFA, and intends to comply with those obligations in all respects.

If and when there is a transaction which is subject to Section 1 of our Agreement, we will promptly advise AFA and take appropriate steps to confirm that all applicable requirements have been satisfied.

Sincerely,

Robert A. Brodin
