

# NEW WEB SITE, SAME GREAT FEATURES

WINNING TOGETHER  
FOR YOUR HEALTH

Help managing your benefits and health is just a click away!  
[www.myHealthcareView.com](http://www.myHealthcareView.com)

Starting January 1, 2010, your new member Web site will be **myHealthcareView.com**, replacing **myuhc.com**®.

If you are registered on **myuhc.com**, you don't need to do anything – your username and password will remain unchanged and all of your health information will still be available.

If you are new to UnitedHealthcare\* or haven't registered before, here are five reasons why you should use **myHealthcareView.com**:

1. Improve and maintain your health with wellness tools and programs.
2. Chat with a registered nurse.
3. Track your health and prescriptions on your Personal Health Record.
4. View summarized claims activity on one screen.
5. Search for network physicians and hospitals that provide quality and cost efficient care.

\*You cannot register on **myHealthcareView.com** until January 1, 2010.
