Dear William:

Please add Council 98 of the Association of Flight Attendants - CWA, AFL- CIO, (AFA - CWA), onto the amicus brief opposing Prop 8. As the president of Council 98, representing the LAX-based flight attendants of Northwest Airlines, I have the organization's constitutional authority to endorse this document. Additionally, please find attached a resolution from the 2007 AFA-CWA Board of Director's meeting which explicitly advocates the undertaking of practically all legal initiatives to defeat Prop 8. AFA-CWA represents over 50,000 flight attendants at 20 U.S. air carriers.

Sincerely,

Les Meeks
President
AFA - CWA Council 98
