Re: System Board Opinion and Award, Grievance No. 88-00-02-045-09

Dear Mike:

The Union has just received the System Board's Opinion and Award for the Uniform Grievance in which the Board sustained the Union's grievance. I have enclosed a copy of the Opinion and Award for your review.

Of immediate concern is that the Board has directed the Company and the Union to jointly meet and resolve the issue of providing Flight Attendants with reimbursement for dry cleaning costs for the period of time that the Company violated the contractual uniform standards. The Union requests a meeting with the Company within the next 14 days so that we may begin our work.

Please contact me about a date that would be convenient for the Company to meet.

Sincerely,

Janette Rook
