

Solidarity Day

Preserve the American Dream for Workers at the New Delta

"I do not view the labor movement as part of the problem; to me it's part of the solution. We need to level the playing field for workers and the union that represent their interests, because we know that you cannot have a strong middle class without a strong labor movement. We know that strong, vibrant, growing unions can exist side by side with strong, vibrant and growing businesses.

-President Barack Obama, January 30, 2009
