Mr. Richard Anderson  
Chief Executive Officer  
Delta Airlines, Inc.  
P.O. Box 20706  
Atlanta, GA 30320-6001

Dear Mr. Anderson,

In a recent Senate committee hearing about the proposed merger between Northwest Airlines and Delta Airlines, it came to my attention that Delta flight attendants are currently in the process of deciding whether or not they want union representation. I believe a positive vote for collective bargaining would be good for the airline and good for employees. To that end, the news of company interference in the election process is troubling. I would hope that these reports of management interference are not true, but unfortunately, I fear they are.

You and I have had a great working and personal relationship in the past, and I look forward to continuing our work making Minnesota the premier place to live, work, and raise a family. If would like to further discuss this or any other matter, please don't hesitate to contact me at (651) 212-0669.

Sincerely,
